

Executive Profile

Robert R. Kampstra
Vice President and Corporate Controller

Robert R. Kampstra was promoted to Vice President and Corporate Controller in June 2008. His responsibilities span global financial controls and external reporting. Mr. Kampstra joined Modine in March 2006 and was promoted to Corporate Controller in July of that year.

Before joining Modine, Mr. Kampstra was a Manager of Financial Reporting and Compliance for School Specialty, a leading education company that provides supplemental learning products to the pre-kindergarten through 12th grade market. There he had responsibility for GAAP (Generally Accepted Accounting Principles) compliance, external reporting and initial adoption and ongoing compliance with Sarbanes-Oxley Act Sections 302 and 404 and process documentation and internal controls.

Mr. Kampstra, who holds both Certified Public Accountant and Certified Management Accountant designations, has also worked in public accounting at PricewaterhouseCoopers LLP.

Mr. Kampstra earned his bachelor's degree with an emphasis in accounting from the University of Wisconsin – Whitewater, and currently serves on the university's accounting advisory board.
